Attachment 1

In response to the question #9 of the International 214 Application:

EKU Solutions qualifies for streamlined processing, because:

EKU is not affiliated with a foreign carrier at the destination market

EKU does not have affiliation with a dominant U.S. carrier whose international switched or private line services the Applicant seeks authority to resell (either directly or indirectly through another reseller)

EKU does not seek authority to provide switched basics services over private lines to a country for which the Commission has not previously authorized the provision of switched services over private lines.
